## New Farm Journal.

The Blue Grass Farm Journal, a publication devoted to the farming interests, will be launched in Mt. Sterling Saturday, February 8, with Mr. W. Hoffman Wood as editor and manager. The paper will contain eight pages and will be in the form of a magazine. It will be issued each Saturday and will have pages especially devoted to the tobacco markets, saddle horses, poultry and other subjects of interest to the farmer. Mr. Wood, who is a son in law of Mr. H. Clay Whaley, of Paris, was formerly engaged in the newspaper business in Mt. Sterling, but more recently has devoted his time to his real estate agency.

## Hard Job.

It is going to be difficult to get women to quit judging other women by the furs they wear.

## Application.

The important end of historical knowledge is a prudent application of it to ourselves, with a view to regulate and amend our own conduct.—Thomas Zouch.

## Better Days Coming.

"This is the tenth time you have been up before me," said the Cleveland judge severely. "Is it possible, your honor?" replied the prisoner. "Well! well! Ain't it wonderful how long some judges hold office under the old system? But I promise it won't happen again—not after we get the recall to workin'!"

Here is a message of hope and good cheer from Mrs. C. J. Martin, Boone Mill, Va., who is the mother of eighteen children. Mrs. Martin was cured of stomach trouble and constipation by Chamberlain's Tablets after five years of suffering, and now recommends these tablets to the public. Sold by all dealers.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Sold by all druggists, 75 cents.

For all our penny wisdom, for all our . . . slavery to habit, it is not to be doubted that all men have sublime thoughts.—Emerson.

## Scientific Fact Established.

A number of rabbits upon whom coffee was tried to determine the effect of the caffeine it contained died, proving beyond a doubt that coffee never was intended as food for rabbits.—Louisville Courier-Journal.

## Ah!

"A woman has to be steadier than a man and more self-sacrificing than a man, because when she plunges she does more harm than a man."—"Marriage," by H. G. Wells.

This is the season of the year when mothers feel very much concerned over the frequent colds contracted by their children, and have abundant reason for it as every cold weakens the lungs, lowers the vitality and paves the way for more serious diseases that so often follow. Chamberlain's Cough Remedy is famous for its cures, and is pleasant and safe to take. For sale by all dealers.
